

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

August 24, 2011

Dear Friends:

I want to take this opportunity to thank the members of the Adeona Foundation for their outstanding work on behalf of New York City's children.

Through innovative public policies and groundbreaking public-private partnerships, our City is meeting some of our most pressing challenges. Government simply cannot do it alone—volunteers and professionals in the non-profit and private sectors can make a critically important difference in the lives of the people they are called to serve. That is why we commend the Adeona Foundation for its commitment to providing students of all backgrounds and abilities with the resources and support they need to fulfill their potential.

On behalf of a grateful City, thank you for your leadership and support of the programs that are building a better future for young New Yorkers. Please accept my best wishes for continued success—and I look forward to seeing you volunteer in the enclosed *NYC Service* shirts!

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg".
